Housing Information

We do our best to match families to their first choice housing, however preferred housing is not guaranteed. In most cases, returning families have priority to their historic housing assignment, provided they still meet the minimum occupancy and return their registration with deposit prior to January 31st at 5PM. All housing choices will not be available at New Family Registration and will then be assigned on a first-come, first-serve basis. If you would like to know what housing is available, please contact camp!
