**CAMP FEES WILL NOT BE PRORATED OR REFUNDED FOR BEHAVIORAL DISMISSAL**

**MEDICATION ADMINISTRATION AUTHORIZATION**

Required, by the State of Maryland, for campers bringing ANY medication or vitamin to camp (prescriptions, over-the-counter, vitamins, epi-pen, inhaler, ointments). This must be completed in detail & signed by the physician as well as parent/guardian. Upload completed form to your camper's Campwise account.

**INSURANCE CARD**

This is required for all campers. Include a legible copy of the front and back of your camper's health insurance card. If you have a separate prescription medication card, please include this as well. This must be uploaded to your camper's Campwise account.

**CAMPER HEALTH HISTORY**

Parent/guardians provide camp with health history and current health information. By signing this form, you give camp permission to seek treatment for your camper if needed. This is the information we rely on for healthcare needs. This form can be found on Campwise.

**CAMPER PROFILE SHEET**

This helps the camper's cabin counselor(s) familiarize themselves with your child. It is important to be as detailed as possible when completing this form to ensure a positive experience for your camper. This form can be found on Campwise.

**2025 POLICIES & RELEASE FORM ACKNOWLEDGEMENT**

Guardians will sign off that they read and understand the parent handbook, the Release of Liability, Medical Insurance, and marketing policies. This form can be found on Campwise.

**BEHAVIOR CONTRACT ACKNOWLEDGEMENT**

Verifies that you have read, understand, and reviewed the Behavior Contract with your child. This acknowledgement form can be found on Campwise.

**All forms are due by May 1st**

**No child will be permitted to stay at camp without proper health forms on file**

**CABIN MATE REQUEST**

**THIS IS NOT A GUARANTEE.** Parents may enter a request that is limited to one friend. The campers must be in the **same grade** and attending the same session, and the request must be mutual (submitted by both camper's parents). All requests must be entered at least two weeks before the start of the session in order to be honored. Campers are housed in either a cabin or lodge depending on the village and number of campers. The villages are grouped by gender and the grade that was most recently completed in May/June 2025. Verify that your camper is in the correct village in the Campwise system (Sioux, Ute, Iroquois, Chickasaw, Navajo, Algonquin, Pawnee, Cherokee).

**CAMP STORE ALLOWANCE**

This is set up on your camper's Campwise account prior to their camp session. We recommend \$75 per session. Without this, your child will not be able to purchase items from the camp store. Items for sale include: T-shirts, sweatshirts, water bottles, stamps, etc. Campers will visit the camp store once a week. If your child does not spend the entire amount it will be refunded back to the card 1-2 weeks after the session ends.

**ALTERNATIVE LEAVE FORM**

Optional for campers, completed online via Formstack link that is sent to you by the camp director 1-2 weeks prior to the session. We offer 2 early-leave time slots on check-out day and this form must be completed in order for the camper to leave early or if they are getting picked up by any adult other than their legal guardian. Proper identification is required for anyone picking up a camper. Please allow 15-20 minutes after arriving to completely check out your camper.

**We will take every possible measure to ensure that your child has a safe, positive camp experience, but we cannot guarantee it. However, with your help, our success rate can and will be high. The following includes topics and suggestions of discussions we would like for you to have with your child. YMCA Camp Tockwogh reserves the right to search any camper's belongings if camp leadership deems necessary.**

### **WEAPONS**

Campers may not bring any weapons with them to camp. Knives/pocket knives, guns, clubs, or any other item that can be used to harm another individual are prohibited. Campers found in possession of these items will be sent home. Any camper that uses any object as a weapon to harm another individual will be sent home. YMCA Camp Tockwogh may also file a report with the appropriate authorities in these cases.

### **ALCOHOL, TOBACCO & DRUGS**

The possession and/or use of any type of alcohol, tobacco, marijuana, controlled substance, or drugs are prohibited, including e-cigarettes and vape pens. Campers found using, being under the influence of, or in possession of these items will be sent home. YMCA Camp Tockwogh may also file a report with the appropriate authorities in these cases.

### **CAMPERS AND STAFF INTERACTIONS**

It is important that all of our campers feel safe while at camp (physically & mentally). It is the responsibility of each individual camper to treat others in a manner consistent with the values emphasized at YMCA Camp Tockwogh (Caring, Honesty, Respect, Responsibility, and Inclusivity). It is each individual's responsibility to behave appropriately. The rule or question we give our staff in order to help them determine what is appropriate vs. inappropriate behavior is: Would they be doing/saying the same thing if their parent were present or if they were at school? Talk to your child about this rule. If they feel as if their parent or their principal would not approve they need to let someone else know what was done or said.

YMCA Camp Tockwogh will work with campers having a hard time adjusting to camp life. However, if your child's behavior is causing serious disruptions to others they will be sent home. Please see our Cancellation and Refund Policy on page 10.

### **RELATIONSHIPS WITH CAMPERS AND EMPLOYEES**

Employees and volunteers are not permitted to socialize with program participants outside of YMCA programs, even if the participant is 18 years of age. This includes babysitting, private lessons, and sleepovers. At times, campers may want to stay in touch with their counselor after the camp season has ended. YMCA Camp Tockwogh staff may not call, message, or talk via social media to any YMCA participant, including but not limited to Facebook, Instagram, Twitter, Snapchat, and TikTok.

Camp staff may write or e-mail campers, but all correspondence should be addressed to the parent's attention. Parents should be aware of and monitor all such correspondence. Parents should preview any letters or notes before passing information on to the child. YMCA staff will respect parental decisions related to this matter. The camp director should be contacted if clarification of this policy is needed. Staff may not transport campers in their personal vehicles at any time. Parents should not ask staff to drive their camper home under any circumstances. Arrangements should be made in advance to ensure campers are picked up on time.

### **CAMPER SOCIAL NETWORK POLICY**

If your camper is on Facebook, Twitter, Snapchat, Instagram, TikTok, or uses the internet for other social networking and chooses to mention their camp experience, it is our hope that they will represent themselves in a positive light as well as the YMCA and YMCA Camp Tockwoh. No camper should use the internet to defame, bully, or otherwise harass another camper or staff member.

Campers and staff should not “friend” and/or “follow” one another or communicate online. Posting and/or tagging pictures of other campers/staff without their permission is also not permitted. If it is brought to our attention that your camper is doing these things, we will contact you and expect the inappropriate material be removed. We highly recommend speaking with your camper about these expectations and helping them set the security preferences on their profiles to ensure their online presence is only accessible to their friends and family.

### **MISSING HOME**

Being away from home for an extended period of time can produce anxiety for children and their parents. The following information will offer preventative measures and possible coping strategies.

It is not unusual for a child to express feelings about missing home through a letter mailed home in the first few days of camp. Our staff is trained to handle these situations, and the vast majority of these campers overcome their fears in the first few days of camp. If your camper continues to miss home, we will call and ask for advice. If you feel that it is necessary to talk with someone at camp, one of the leadership staff or camp directors will be available to discuss the situation with you.

It is our strong belief that the summer camp experience is an invaluable resource for children on their way to becoming healthy adults. At camp, children learn to problem-solve, make social adjustments to new and different people, take responsibility and gain new skills to increase one’s self esteem. The goal of camp is to provide a fun learning experience for children while assisting in their growth and development in a safe environment.

It is important that you set realistic expectations. The following are some helpful tips for parents:

- Do not tell them you will pick them up if they do not like camp
- Discuss what camp will be like well before your child leaves, acknowledging feelings
- Brainstorm with your child about ideas they might have to take care of themselves if they start to miss home
- If possible, visit camp prior to attending
- During drop off, keep your parting brief and pleasant so that your child does not become upset about your departure.
- Visit [www.summertimehandbook.com](http://www.summertimehandbook.com) for more helpful hints

### **CELLPHONE/ELECTRONICS WHILE AT CAMP**

YMCA Camp Tockwoh is a no screens camp (phone, tablets, watches, etc.). Make sure your camper understands they will be without any of their devices for the entirety of their stay. If they are caught with a device, it will be confiscated & locked away in the Administration Building until a parent/guardian picks it up on check-out day.

**BUNK 1**

The method for communicating with your camper during their stay is through "bunk notes" & "bunk replies" using a service called Bunk1. "Bunk notes" are one-way electronic messages, similar to emails, that get printed and delivered to campers daily. You are able to purchase "bunk replies", which gives your camper the option to write a handwritten note back to you, which then gets scanned & sent to your Bunk1 account. To participate, you will pay directly on the Bunk1 website, [www.bunk1.com](http://www.bunk1.com). For the safety of your camper, parents/guardians have control over who emails your camper.

You can also access secure online photo galleries taken during your camper's session. For safety reasons, you must register on the Bunk1 website & provide an "invitation code" to have access to YMCA Camp Tockwogh's photo albums. Albums are sorted by session. The access code will be provided by the camp director in an email 1-2 weeks before the session begins.

**CAMPER & PARENT PHONE CALLS**

Campers are not permitted to make or receive phone calls during their stay. The camp directors are available to campers should they wish to discuss anything. If an issue arises, we will contact you on behalf of your camper and collectively decide the best course of action. We will contact you in the event of an emergency.

The phone in the main office at YMCA Camp Tockwogh will be answered between 8 am and midnight. Parents may call camp in the event of an emergency. If you wish to know how your child is doing while at camp, you are able to contact the camp office and request a call back from the communication team. A return call will be made to you as soon as possible.

**CAMPER MAIL/PACKAGES & SNACKS**

Mail is delivered Monday - Saturday. Please note that because of our rural location, at times, the mail is not timely. **YMCA Camp Tockwogh is not responsible for lost, damaged, or delayed mail.** Pre-written letters & care packages can be dropped off at the post office during check-in. Please indicate on the letter or box what day you would like for it to be delivered. Nut-free snacks are allowed to be packed with the camper on check-in day or sent to the camper in a care package. Any items brought/sent that contain nuts will be confiscated and thrown away. If you send your camper with snacks, we ask that you send enough for the whole cabin to share and to place them in a small, air-tight container to prevent critters from wanting to enter the cabin.

**ADDRESS ALL PACKAGES IN THE FOLLOWING MANNER**

**LOST AND FOUND**

We suggest you send your camper with only old clothes & write their name on all of their belongings. Lost and found items are displayed between the tennis courts & administration building during the camp session and on checkout day. We strongly urge you to check this area, as well as the cabin, to ensure your camper has all of their belongings prior to departure. YMCA Camp Tockwogh is not responsible for any lost items. Items left at camp can be mailed at the parent/guardian's expense. Please note that it can take anywhere from 2 days to 2 weeks to get back to you about lost and found items. Only items that are clearly labeled will be kept & sorted. Unclaimed items are donated to a local shelter at the end of the summer.

### **WELLNESS CENTER & STAFF**

The wellness team is comprised of registered nurses who are on site throughout each session as well as 3 other staff members who are trained as Certified Medication Technicians. They live in the Wellness Center & are available 24/7. The wellness team will make all efforts to contact parents/guardians if your camper needs to be taken to an off-site medical professional or the hospital, or is in the Wellness Center for 24 hours. Emergency equipment on site includes EpiPens, AmbuBags, Oxygen, Narcan, and AEDs. YMCA Camp Tockwogh is licensed through the State of Maryland and is accredited by the American Camp Association.

### **MEDICAL TRAINING FOR OUR STAFF**

Staff participate in various & extensive safety training workshops which include: CPR, First Aid, Ellis Lifeguard Training & the use of an AED. All power boat drivers are certified through the State of Maryland.

### **YOUR CAMPER'S WELLBEING**

Parents/guardians contribute to our ability to be prepared for your camper's health & safety by thoroughly completing & submitting the health history & camper profile sheet by May 1st. Campers must have complete health history forms before they can attend camp. We require that you update us in writing of any changes from the original form with regard to travel out of the country, exposure to, or infection with any communicable illness, or any injuries or other changes to your camper's health which could potentially impact their stay with us. Please take the time to familiarize yourself with all of the Parent Handbook as well as the activities we offer so you can notify us of any restrictions or provide any information that will help us provide the best care of your camper.

Our goal is to meaningfully include all youth & provide accommodations in our programs when needed. To help us achieve this goal, we respectfully ask parents/guardians to inform us, prior to the start of the program, of any special circumstances which may affect your camper's ability to participate. By providing information regarding the strengths & needs of your child, the staff can prepare helpful accommodations which will better serve all children in our programs. Upon being informed of such circumstances, a staff member may request to discuss the accommodations that can be created to successfully include your camper.

### **BRINGING MEDICATION TO CAMP**

All medications must be in the original pharmacy labeled containers, which must exactly match the Medication Administration form, and signed by both the doctor & parent/guardian. For example, if your child has an inhaler, it must be in the original pharmacy box with a pharmacy label displayed. Parents/guardians must check in ALL MEDICATIONS, including prescriptions, over-the-counter drugs, vitamins & creams with the nurse on check-in day. Any self-carry rescue medication must be checked in by both parent/guardian & the camper. If left at camp, medications are not able to be mailed home.

### **MEDICAL INSURANCE/MEDICAL COSTS**

Parents/guardians are responsible for medical insurance coverage for their child while at camp. Pre-existing health issues are the responsibility of parents. All medical bills & expenses are the responsibility of the camper's family. If it is necessary for your camper to be sent off-site for a doctor visit & an insurance card has not been uploaded, camper will be sent to the urgent care & billed as self-pay.

### **CAMP PSYCHOLOGIST**

Licensed psychologist, Dr. Regan H. King, has been contracted to provide supportive services to any camper who may be in need. He is available at the Dining Hall during check-in if you have any questions or concerns. In the event of greater need or emergency, you will be contacted by camp administrative staff for further discussion.

**MAKING PAYMENTS**

Payments should be made in the Campwise system with any major credit card. Checks are also accepted and can be mailed to camp for payment.

**FINAL PAYMENT**

Final payment is due on May 1st. If registering after May 1st, payment in full is due at the time of registration. If final payment has not been made by May 1st, YMCA Camp Tockwogh reserves the right to charge the card on file on May 2nd for the balance due.

**PAYMENT PLANS**

This can be requested by completing the form on Campwise titled "Payment Schedule & Refund Policy." Once this is requested, camp staff will set up the payment plan on the account for equal monthly payments to be charged on the first of each month through May 1st. Your initial \$300 deposit will go towards the balance. The sooner you enroll, the more time you have to spread out your payments!

March 1-April 30, 2025	Full refund less \$300 deposit/\$35 for Mini Camp

You must submit a written notice and call the camp immediately. The amount of the refund will be determined by the Executive Director.

**DISMISSAL FROM CAMP**

- If the child leaves camp due to medical conditions or they have been seen by our camp healthcare professional or been taken to the hospital, written notice from the doctor must be provided before any refund/credit will be considered.
- In the event of a communicable disease outbreak during a session, the state of Maryland mandates that campers who are not up-to-date on their vaccinations for that disease be excluded from participating.

**NON-REFUNDABLE DISMISSALS**

- If a camper arrives without health history, or an undisclosed condition that requires dismissal parents/guardians will not be refunded.
- If a camper must be sent home due to a break in the Behavior Contract on page 3 parents/guardians will not be refunded. YMCA Camp Tockwogh reserves the right to dismiss any child who displays unreasonably negative behavior.
